

GLV Challenge

As part of our new branding we are looking to launch our own Scout badge on the back of our scarf. This is your chance to design our new badge.

In the diamond shape (<-) please create your badge and then submit your design to your leaders.

The winning design will be picked by Nick (GLV) with the help of the leadership team, then be turned into our new Group scarf badge.

We have placed some ideas on this page which you might like to include. A group scarf badge helps identify us as a group

The only thing it must contain is- '1st Brenchley and Matfield Scout Group', you chose where this goes on the badge.

- The rest is up to you-
- Can be about Scouting
- Can be about the local area
- Can contain both

Below and above are a few examples from a previous group to help you think on badges we got made

Closing Date: Wednesday 29th April 2026

Scouts
1st Brenchley and Matfield

Name: _____

Unit: _____
